

2019 Garden Fair and Plant Sale Vendors

Plants and Gardening Supplies

[Atlanta Carnivorous Gardens](#) - Venus flytraps, North American pitcher plants, and sundew species native to the Southeast US.

[Autumn Hill Nursery](#) – Annuals, perennials, roses, trees and shrubs; garden accents and more to make your garden a show stopper!

Catalina Gardens - Owner Marlie would like to share her love of hostas with you! Large variety available. 770-943-7530

[Colonial Creek Farm](#) - Are you thinking of planting a hummingbird or butterfly garden? Looking for the unusual and rare plant, herbs? They've got you covered, with scented geraniums, uncommon herbs, perennials, edibles, and so much more!

[Cutting Edge Plants](#) - If you are interested in ornamental and native shrubs, trees, and perennials, this is the place to visit. All of the plants are grown near Athens. Mail order option available.

[Delvecchio Nursery](#) – Make a statement in your garden and choose from a lovely selection of Japanese maples.

[Diego Family Flowers](#) - Sun and shade-loving perennials, trees, succulents, and more!

[East Fork Nursery](#) – Go native! Enhance your yard with native azaleas or if you are short on space, make a statement with one of her dwarf conifers.

[Horizons Ironwood Tool Company](#) - This shop's motto: Tough tools built to last. Garden and pruning tools and accessories available here!

[IG Nursery](#) – Select from a great variety of heirloom vegetables or rare and unusual plants.

[Just Add Water](#) – Jodi will be back with his collection of rare and hard to find conifers, Japanese maples and other trees.

[Katielou's Lilies](#) – She offers a wide variety of bareroot lilies and perennials. Her garden is also available for visits, but make sure to make an appointment!

[Lone Wolf's Den Farm](#) – Suzanne's coming back with back with her wide variety of pollinator plants, herbs, and other "useful" plants grown naturally and tended to with lots of TLC!

[Master Gardener Volunteers of Cobb County](#) – We dig it! Browse through our plant selection, cookbooks, notecards, gently used garden décor, and books! Got questions? Stop in at our booth and Ask a Master Gardener!

[Merrily Gardens](#) - Come visit Merrily and her top-of-the-line daylilies and perennials, as well as homemade gourmet jams, jellies, sauces, and pickles.

[Miaes Garden Goodies](#) – From her yard to yours, select from her favorite perennials.

[Paradise Horticultural Services](#) - Robert provides a little of everything, from bountiful hanging baskets to herbs and vegetables. Stop by and check it out!

[Sangrit Enterprises](#) – Feed your plants "super humus" from specially produced plant food made from nightcrawler and earthworm castings.

[Silvers-Elbert Nursery](#) - This family-run nursery specializes in hostas, including Munchkin Fire, Mighty Mouse, Island Breeze, and Humpback Whale, among many others.

South Cobb High School – Student and staff have revived their greenhouse. Show your support for their program by buying some of their plants at the Fair!

[Super Sod](#) - "Great gardens start in the soil." We couldn't agree more! Improve your garden or lawn with their humus compost, soil and sod delivered right to your door.

[Tower Garden](#) – Grow your own nutrient rich food, virtually anywhere, inside or out without soil in an aeroponic tower garden.

For the Birds...

[Art By Christine Cater](#) – Fun and functional, see her collectible handcrafted whimsical birdhouses, fantasy dolls, and butterfly feeder hangars.

[Birdwatcher Supply](#) - If you enjoy birdwatching, this is for you! They offer a wide range of bird products, especially for hummingbirds.

[D & B Crafts](#) – Sturdy and affordable glass bird feeders created from vintage dishes, bowls and mason jars.

[Flighty Birdhouse Lady](#) - Looking for a rustic style birdhouse that's akin to a mini condo? Look no further. Each birdhouse is painted cedar with hand-cut metal artwork. Perfect for your fine, feathered friends.

[Mac's Birdhouses, Etc](#) - This shop uses upcycle metals, woods, and ceramics to create wonderful masterpieces. Mary Ann, the owner, also enjoys creating flower bouquets out of buttons, birdhouses, and leather flower handcuffs.

[Nature Products of America](#) - George Burkett, a long-time supplier of cedar birdhouses, feeders, and carpenter bee traps for the Master Gardeners, will be onhand to showcase his U.S.-made products. His nest boxes and feeders are used exclusively along the Bluebird Trail at the Green Meadow Preserve in West Cobb.

Yard Art and Furniture

AG Magical Flying Pigs - Angela, a Cobb Master Gardener, enjoys crafting “flying pigs” from recycled freon tanks. They are the very essence of garden whimsy. 770-855-6636

[Bittersweet Gardens](#) - Eddie, also a Cobb Master Gardener, is a jack-of-all-trades and his shop shows it. Explore the fruits of his labor, including assorted crafts, yard art, manure, CDs, books, and plants.

Creekside Cottage Woodcrafts – Beautifully handcrafted yard art from nature to you.

[Flower Plates Yard Art](#) – Add some glimmer to your garden. JoAnn shapes glass dishes and bowls into flowers that are perfect for any yard.

Lashley Woodcrafts - One-of-a-kind cypress outdoor furniture, swings, rockers, chairs, and tables. Perfect place to stop and smell the roses! 678-371-2523

[Rare Earth Creations](#) – Outdoor tables, birdbaths, bowls, and fixtures from nature to you.

[Tufa Guy](#) – Decorative, lightweight and easy to maintain, hypertufa planters and yard décor use an age old method for modern day flair for your garden!
