

Please Join Us For The Bluebird Trail Walk & Talk Tour!

The Bluebird population has dwindled through the years and we are working to provide safe havens for them to hatch their young and help this beautiful songbird remain among us for generations

The Cornell Lab of Ornithology - Nest Watch
2019 Nesting Season

Quick Summary

Total Nest Sites (47), Total Nesting Attempts (77), Total Eggs (314), Total Young (264),
Total Fledglings (218) (as of 7/15/2019)

You Can Help! Become a Friend and Supporter of the Bluebird Trail in West Cobb at the Green Meadows Preserve Park, located at 3780 Dallas Highway, Powder Springs, GA. 30127

27 Bluebird Nest Boxes and 10 Feed Stations have been sponsored and placed along the walking trails within the 112 acres of open pasture, meadows and trees. This will help us support and grow the at risk Bluebird population.

We welcome your attendance at one or all of our educational series, "Bluebird Trail Walk & Talk Tours"
